**NOTE:** Insurance co-pays & deductibles are not subject to this ability to pay schedule. Fee assistance will be granted using the above table but will not result in a charge to the patient of less than a **minimum charge of \$5.00 per encounter**. If there is a need to consider further assistance, a charity care application should be completed.

For households greater than 9 members -- for each additional member add \$4,320 to top line and \$12,960 to bottom line.

Gross income rounded to the nearest \$100 (as defined by the Internal Revenue) shall include any source of income of all the family members. (A family is a group of two or more persons related by birth, marriage, or adoption who live together; all such related persons are considered as members of one family. Unmarried partners are not included when considering family members.)

See reverse side for additional guidelines in determining income.
